

BC CRN SPREAD THE WORD AWARENESS CAMPAIGN:

June 1st is INTERGENERATIONAL DAY IN CANADA

'IG is an orientation, not a programme or prescribed set of plans and outcomes. In order for a community to sustain itself INTER-GENERATIONALLY, it must view building IG bridges as an ever-changing, collaborative and empowering process. Communities gain strength by working together across, not just within, the generations.

i2i, through its website, resources, presentations and workshops provides encouragement, ideas and assistance at getting started with small steps (Baby Steps) or advancing to immersion projects (Giant Steps).' **Learn more at www.intergenerational.ca.**

Please also go to www.bccrns.ca and type intergenerational into the search box. Your search will take you to the brand new *BC CRN Intergenerational Guide, Resource Kit and PowerPoint Slides* developed by i2i for the BC CRN and now available for your use.

WORLD ELDER ABUSE AWARENESS DAY, recognized annually on June 15th, will soon be here. CRNs throughout BC are acknowledging this day with a host of activities all designed to raise awareness of elder abuse and neglect. **Don't forget to wear purple!**

Watch the BC CRN Facebook Page (BC Community Response Networks) and Twitter account (@bccrns) for postings relating to this day. Feel free to share them with your contacts and add your own postings and tweets.

PROMOTE YOUR EVENTS THROUGH CNPEA!

If you already have plans for WEAAD or IG Day, let the CNPEA (Canadian Network for the Prevention of Elder Abuse) know about them! They added a page to the Hub specifically to feature and promote events across the country.

Just fill in the brief form at <http://cnpea.ca/en/calendar-events/world-elder-abuse-awareness-day> (when, where, what) and, if you have one, attach a photo or event poster and they will advertise your event on the Hub and on social media.

BC CRN ANNUAL GENERAL MEETING

This event takes place at 5:00 pm by teleconference. CRNs will receive the AGM package with full detail on the AGM and the call in information, *by email*, in early in June. Please plan to attend.
