“I am sure that the tams will be well appreciated. Several of the volunteers I have shown them to were so impressed on the quality of workmanship and how lovely they are. It is very special for individuals to receive something made with such loving care. Although I do not meet the seniors receiving the Christmas bags I always hear how thankful they are. They are very touched that we have thought of them and we ensure wrapping and decorating the presents like a gift of special honor. Thank you for contributing to our gift giving this year.”

Glenda Plews – Volunteer for 55+ Our Place Seniors Group

Glenda Plews and fellow volunteer Jeanette Francis pick up 31 tams from Anna, SPCRN Coordinator, at SHOAL Centre.

“I just wanted to say thank you so much, I have picked the hats up today and they will be perfect for the residents. Once I have them all packaged up I'll send you a photo of all the packages. Thank you and have a wonderful Holiday season!”

Colleen – Volunteer for Burdett House

Gabi Townsend, Victoria CRN Coordinator, picks up 40 tams from Anna – 20 tams for Burdett House, and 20 tams for Gaylia Lassner, Westshore CRN Coordinator, to distribute to charities in her local area.

“It was a pleasure to meet you both today. Thank you for your generosity and to Renata for all her hard work. They will help a lot of people this winter season.”
